

Template for Success Story

1. Case Profile:

1	Name/s of the beneficiary (If group write details of all the members)	BIMAL CHANDRA ORAON
2	Mobile number of the beneficiary/s /Email ID	Mobile: 7762080551 Email:
3	Address (Village, Mandal, District, State)	Village: BORABINDA Mandal/Block: CHANDIL District: SARAIKELA State: JHARKHAND Pin: 832401
4	Educational Background	MATRIC
5	Category (General/OBC/SC/ST)	ST
6	Status before initiating the activity	NOTHING
6.1	Profession	CAGE CULTURE
6.2	Social Status	MARRIED (1 BOY 1 GIRLS)
6.3	Monthly income	-
6.4	Issues/challenges	-
7	Motivation to join fisheries activities	YES

2. Project Development:

1	Details of Fisheries Activity/Project	CAGE CULTURE
2	Total project cost	3 LAKH
3	Investment by self	2 LAKH
4	If Any Financial assistance received from Govt.	NO
4.1	If Yes, write name of the scheme under which financial assistance/ Subsidy is received alongwith funding amount	Scheme: NO Financial assistance received (Rs. In Lakhs):
5	Other Source of funding (Rs. In Lakhs)	Bank Loan: Borrowed from other sources: Any other: NO
6	Annual Turnover (last 2 financial years)	4.35 LAKH

3. Infrastructure Created:

Sl. No	Pond/ farm facility/ Infrastructure	Details of pond / farm facility/ Infrastructure Units established			
		Year of establishment	No. of units established	Total Extent (Ha)	Production capacity per unit (Tonnes)
	CAGE CULTURE	2017-18	1 BATTERY (2CAGE)	8X6X5 METER	5 TON

4. Description of the project Intervention/activities undertaken
(Elaborate in detail with technical inputs the journey/story of the farmer/challenges faced -):

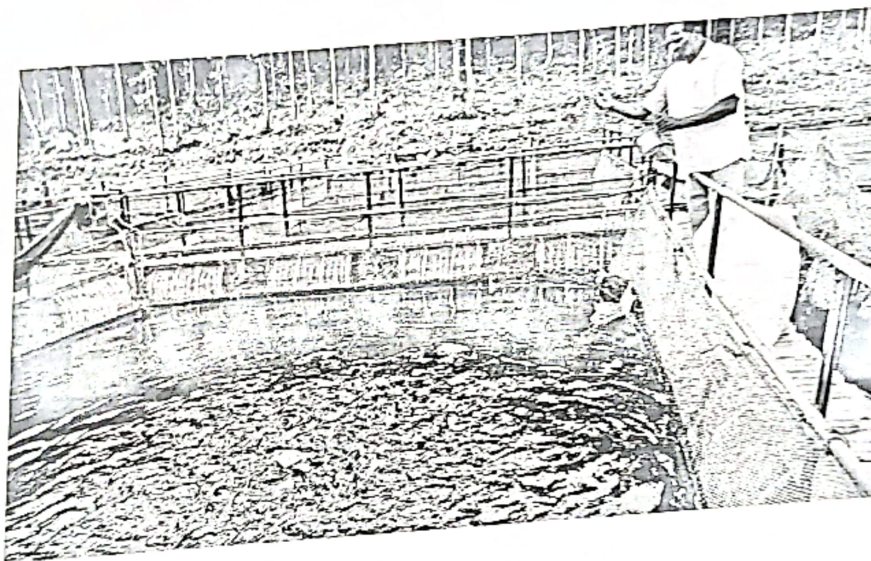

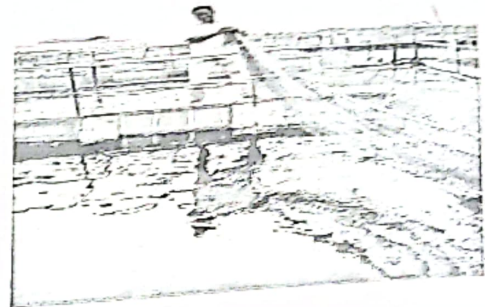

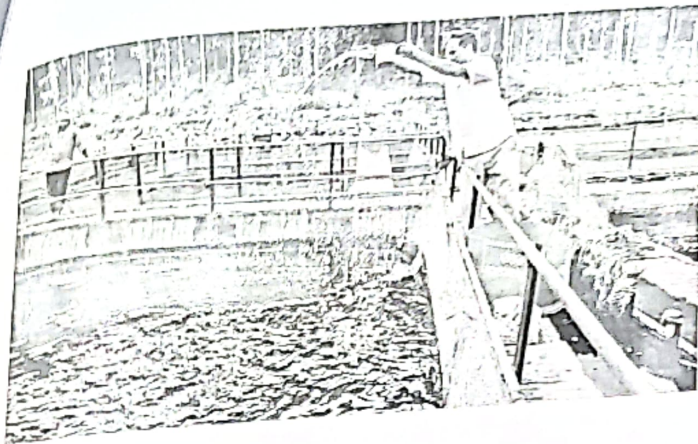

Bimal Chandra Oraon is a displaced people. He has no pond to make fish farming. But he is a member of fish society "Chandil Bandh Visthapit Matsya Jivi Sahakari Samiti" Before fish farming without cage culture he had very poor economic condition. He had no cycle/Motor Cycle for movement as well as food and housing problem.

In Year 2017-18. He got a cage through fisheries dept. Seraikella. By this govt. scheme he get a cage and 51000/- Rs input for fish seed and feed. He work hard and now he is one of the best fish farmer in the district. Now he has motor cycle, home and his economic condition is better than before last 5 years ago.

Economics of the Activity:

Year	Business Activity (Production/Service)	Production Related		Service Related	Total Expenditure (Rs.in Lakhs)	Returns (Rs.in Lakhs)	Net profit (Rs.in Lakhs)	No. of fishermen & fisherwomen benefitted
		Annual Production (Lakh Tonnes)	Annual Quantity marketed (Lakh Tonnes)	Annual Value of Services provided (Rs.in lakhs)				
2021-2022	CAGE CULTURE	5 TON	4.5 TON	405000.00	1.80	2.25	2.25	2
2020-2021	CAGE CULTURE	5 TON	4.2 TON	378000.00	1.68	2.10	2.10	2
	TOTAL	10 TON	8.7 TON	783000 .00	3.48	4.35	4.35	

5. Photos of Fisheries Activities: (provide actionable photos)

1. Outcome of the intervention/activity undertaken

a. Improvement in business practice:

- i. In early years he had no idea to fish marketing because he had no idea for market rate. So that time the net profit was less. But now he new all general fish selling idea to get more profit.

b. Details of the best practice adopted which helped with good results:

- i. USES OF MEDICINE- In early year he did not used medicine by which he get less crops because mortality rate is high. But now he used medicine and he is success to control mortality rate.

- ii. CAGE SHOULD BE CLENEED AT EVRY MONTH- In practice he clean net every month, by this method he also ^{get} better result.
- c. Total Employment generated:
 - i. Male: 1
 - ii. Female: 1
- d. Anything specific: MORE INPUT SUPPORT FORM GOV.

2. **Impact on improvement of livelihood: CONCRETE**
HOUSE, BIKE, FREEZE, COOLER, TV, CHILDREEN ARE GOING TO PRIVATE SCHOOL.

3. **His/her Future plans: WANT MORE CAGE CULTURE IN THIS FIELD.**
